**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

People should have a choice in their Internet Service Provider - only letting huge companies compete does a disservice to consumers and to smaller businesses.

Let Sonic compete in the market - I don't want to deal with AT&T or Comcast's terrible customer service. Let Sonic compete in part so that larger companies will have to improve the customer service they provide. Let Sonic and other smaller companies compete. Be on the side of consumers.
